Introducing the Plan

PEEHIP UnitedHealthcare® Group Medicare Advantage (PPO) plan

Dear Medicare-eligible PEEHIP Retiree,

The Public Education Employees' Health Insurance Plan (PEEHIP) has partnered with UnitedHealthcare to offer health care and prescription drug coverage for all Medicare-eligible retirees and their eligible dependents. As a UnitedHealthcare Group Medicare Advantage plan member, you'll have a team committed to understanding your needs and helping you get the right care. We believe you should get more than a good health care plan and that's why we have the people, tools and resources in place to help you live a healthier life.

Take advantage of healthy extras with UnitedHealthcare

Let us help you:

- Get tools and resources to help you be in more control of your health
- Find ways to save money on health care so you can focus more on what matters to you
- Get access to care when you need it

N. C.

Fitness Program

In this book, you will find:

- A description of this plan and how it works
- Information on benefits, programs and services and out-of-pocket costs
- What you can expect after your enrollment

How to enroll

You will be automatically enrolled in this plan. You don't have to do anything. Starting on your plan's effective date, this plan will replace your current coverage.

If you do not want this plan

If you do not want to be enrolled in this plan, please call PEEHIP at **1-334-517-7000**, TTY **711**, or toll free at **1-877-517-0020**, TTY **711**, Monday–Friday, 8 a.m.–5 p.m. CT. If you choose to opt out of this plan, please note, UnitedHealthcare is the only coverage offered for PEEHIP Medicare eligible retirees. If you opt out, you may not be eligible to enroll again until the next PEEHIP open enrollment period.

Plan Details

UnitedHealthcare® Group Medicare Advantage (PPO)

The Public Education Employees' Health Insurance Plan (PEEHIP) has chosen a UnitedHealthcare Group Medicare Advantage plan. The word "Group" means this is a plan designed just for PEEHIP. Only eligible PEEHIP retirees and their eligible dependents can enroll in this plan.

"Medicare Advantage" is also known as Medicare Part C.
These plans have all the benefits of Medicare Part A
(hospital coverage) and Medicare Part B (doctor and
outpatient care) plus extra programs that go beyond Original
Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit ssa.gov/locator or call
 1-800-772-1213, TTY 1-800-325-0778,
 8 a.m.-7 p.m., Monday-Friday, or call your local office
- You must continue paying your Medicare Part B premium to be eligible for coverage under this group-sponsored plan
- If you stop paying your Medicare Part B premium, you may be disenrolled from this plan

Medicare Advantage Coverage:

Medicare Part A Hospital

Medicare Part B
Doctor and Outpatient

Medicare Part DPrescription Drugs

Extra ProgramsBeyond Original Medicare

How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

One plan at a time

- You may be enrolled in only one Medicare Advantage plan or one Medicare Part D
 prescription drug plan at a time
- The plan you enroll in last is the plan that the Centers for Medicare & Medicaid Services (CMS) considers to be your final decision
- If you enroll in another Medicare Advantage plan or a standalone Medicare Part D
 prescription drug plan after your enrollment in this group-sponsored plan, you will be
 disenrolled from this plan
- Any eligible family members may also be disenrolled from this group-sponsored plan.
 This means that you and your family may not have hospital/medical or drug coverage through PEEHIP

Remember: If you drop your PEEHIP group-sponsored retiree coverage, you may not be able to re-enroll until the next PEEHIP Open Enrollment period.

How your medical coverage works

Your plan is a Preferred Provider Organization (PPO) plan

You have access to our nationwide coverage. You can see any provider (in-network or out-of-network) at the same cost share as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

View Your Plan Information Online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: **retiree.uhc.com/peehip**

You'll be able to view plan documents, find a provider, locate a pharmacy and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

How your prescription drug coverage works

Your Medicare Part D prescription drug coverage includes thousands of brand name and generic prescription drugs. Check your plan's drug list to see if your drugs are covered.

Here are answers to common questions:

What pharmacies can I use?

You can choose from thousands of national chain, regional and independent local retail pharmacies.

What is a drug-cost tier?

Drugs are divided into different cost levels, or tiers. In general, the lower the tier, the less you pay.

What will I pay for my prescription drugs?

What you pay will depend on the coverage PEEHIP has arranged and on what drug-cost tier your prescription falls into. Your cost may also change during the year based on the total cost of the prescriptions you have filled.¹

Can I have more than one prescription drug plan?

No. You can only have one Medicare plan that includes prescription drug coverage at a time. If you enroll in another Medicare Part D prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you will be disenrolled from this plan.

Questions? We're here to help.

Ways to help save on your prescription drugs

Get a 3-month¹ supply at retail pharmacies

Most retail pharmacies offer 3-month supplies for some prescription drugs.

Ask your doctor about trial supplies

A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced copay or coinsurance and make sure the medication works for you before getting a full month's supply.

Explore lower-cost options

Each covered drug in your drug list is assigned to a drug-cost tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.

Have an annual medication review

Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.

Filling your prescriptions is convenient

UnitedHealthcare has thousands of national chain, regional and independent local retail pharmacies in our network.²

The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll get the lowest price available. That low price may be your plan copay, the pharmacy's retail price or our contracted price with the pharmacy.

¹PEEHIP may provide coverage beyond 3 months. Please refer to the Benefit Highlights or Summary of Benefits for more information.

²Network size varies by market.

What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount Social Security determines you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to PEEHIP. Social Security will contact you if you have to pay IRMAA.

What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires.

Once you become a member, more information will be available in your Evidence of Coverage (EOC). Your Quick Start Guide will include details on how to access your EOC.

Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Call toll-free **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

Questions? We're here to help.

Getting the health care coverage you may need

Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network
- Even though it's not required, it's important to have a primary care provider
- Unlike most PPO plans, with this plan, you pay the same share of cost in and out of the network
 as long as they participate in Medicare and have not been excluded or precluded from the
 Medicare Program
- With your UnitedHealthcare Group Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life

Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call. We can even help schedule that first appointment. When you call your doctor, tell them you have a Medicare Advantage PPO plan.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare Group Medicare Advantage (PPO) plan, you can see any out-of-network provider as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. You pay your copay or coinsurance according to your plan benefits. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

If a provider refuses to directly bill us, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.

Take advantage of UnitedHealthcare's additional support and programs

Annual Physical and Wellness Visit¹

An Annual Wellness Visit with your doctor and many preventive services at \$0 copay is one of the best ways to start your year off and stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn a reward* for completing and reporting your Annual Wellness Visit.

In-Home Preventive Care Visit from UnitedHealthcare® HouseCalls

With UnitedHealthcare® HouseCalls², you get a yearly in-home visit from one of our health care practitioners at no extra cost to you. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

The visit takes up to an hour and is tailored to your needs. It includes health screenings and a chance to:

- Review current medications
- Receive health education, prevention tips, care and resource assistance, if needed
- · Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more

At the end of the visit, our health care practitioner will leave you with a personalized checklist and send a summary to your regular doctor.

24/7 Nurse Support

Speak to a registered nurse 24/7 over the phone about your medical concerns at no additional cost to you.

Chronic Conditions Programs

UnitedHealthcare offers special programs to help members who are living with a chronic disease like diabetes, heart disease or complex health needs. You get personal attention and your doctors get up-to-date information to help them make decisions.

Custom-Programmed Hearing Aids

Your hearing health is important to your overall well-being and can help you stay connected to those around you. With UnitedHealthcare Hearing, you'll get access to hundreds of name-brand and private-labeled hearing aids — available in person at any of our 7,000+3 UnitedHealthcare Hearing providers nationwide4 or delivered to your doorstep with direct delivery and virtual care (select products only) — so you'll get the care you need to hear better and live life to the fullest.

Virtual Visits

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat — anytime, day or night. You will first need to register and then schedule an appointment. On your tablet or smartphone, you can download the Amwell®, Doctor On DemandTM and Teladoc® (medical visits only) apps.

Virtual Doctor Visits

You can ask questions, get a diagnosis or even get medication prescribed and have it sent to your pharmacy. All you need is a strong internet connection. Virtual doctor visits may be good for minor health concerns like:

- · Allergies, bronchitis, cold/cough
- · Fever, seasonal flu, sore throat
- Migraines/headaches, sinus problems, stomachache
- Bladder/urinary tract infections, rashes

Virtual Behavioral Health Visits

May be best for:

- Initial evaluation
- Behavioral Health medication management
- Addiction
- Depression
- Trauma and loss
- Stress or anxiety

Mental and Behavioral Health

Nothing is more important than your health, which includes your mental health. You have access to many resources that may help improve your emotional and mental health, including:

- Personalized virtual therapy programs with AbleTo
- Ongoing mental health support with Optum® Behavioral Health
- Health and wellness resources with Renew by UnitedHealthcare

Personal Emergency Response System (PERS)

With the Personal Emergency Response System (PERS), provided by Lifeline, help is a button push away. The PERS device can quickly connect you to the help you need, 24 hours a day in any situation. It's a lightweight, discreet button that can be worn on your wrist or as a pendant. It's also safe to wear in the shower or bath. Depending on the model you choose, it may even automatically detect falls.

Stay Healthy at Home

UnitedHealthcare® Healthy at Home provides you with the support you may need to recover from hospital and skilled nursing facility stays. You are eligible to receive home-delivered meals, transportation to medical appointments and in-home personal care to assist with daily activities, all at no cost to you.

Virtual Coaching Programs

Rally Coach™ programs can help you start living a healthier, happier life. These virtual coaching programs are available to you at no additional cost and include the following:

- Real Appeal[®], an online weight loss program proven to help you achieve lifelong results, one step at a time (includes a diabetes prevention program for those who qualify)
- Rally Wellness Coaching helps you get healthy your way by providing 24/7 access to digital health and wellness courses as well as personalized coaching support with online chat or phone calls
- The Quit for Life® Tobacco Cessation Program provides you with the support you may need to quit all types of tobacco use

UnitedHealthcare Fitness Program

Renew Active® is the gold standard in Medicare fitness programs for body and mind, available at no additional cost. You'll receive a free gym membership with access to our nationwide network of gyms and fitness locations. This includes access to many premium gyms, on-demand workout videos and live streaming fitness classes, social activities, an online Fitbit® Community for Renew Active (no Fitbit device is needed) and an online brain health program from AARP® Staying Sharp®.

Let's Move by UnitedHealthcare

Recieve access to our digital health and wellness platform that includes:

- · Health and wellness education
- · Guided wellness strategies
- In-person and live virtual events
- Wellness rewards
- Financial wellness

And so much more to help you live a healthier life

After you become a member, we will connect you to many programs and tools that may help you on your wellness journey. You will get information soon after your coverage becomes effective.

About this plan

UnitedHealthcare® Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes the 50 United States, the District of Columbia and all US territories.

About providers and network pharmacies

UnitedHealthcare® Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You can see any provider (in-network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. If you use pharmacies that are out-of-network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **retiree.uhc.com/peehip** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

Prescription Drugs

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

PEEHIP has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. You can view the Certificate of Coverage at retiree.uhc.com/peehip or call Customer Service at 1-877-298-2341, TTY 711 to have a hard copy sent to you.

PEEHIP offers additional prescription drug coverage. Please see your Additional Drug Coverage list for more information.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

Stage 1: Annual Prescription (Part D) Deductible	Since you have no deductible, this payment stage doesn't apply.		
Stage 2: Initial Coverage (After you pay your deductible, if applicable)	Network Retail Pharmacy (up to a 30-day supply of maintenance and non-maintenance drugs)	Network Retail Pharmacy (31 to 60-day supply of maintenance drugs*)	Network Retail Pharmacy (61 to 90-day supply of maintenance drugs*)
Tier 1: Preferred Generic Drugs	\$6 copay	\$12 copay	\$12 copay
Tier 2: Preferred Brand Drugs	\$40 copay	\$80 copay	\$120 copay
Tier 3: Non-Preferred Drugs	\$60 copay	\$120 copay	\$180 copay
Tier 4: Specialty Tier Drugs	\$60 copay	N/A	N/A
Stage 3: Coverage Gap Stage	After your total drug costs reach \$4,660, the plan continues to pay its share of the cost of your drugs and you pay your share of the cost.		

Stage 4: Catastrophic Coverage

After your out-of-pocket costs (what you pay including coverage gap discount program payments) reach the \$7,400 limit for the plan year, you move to the Catastrophic Coverage Stage. In this stage, you will pay no more than the cost shares you paid in the Initial Coverage stage and you may pay less for certain drugs.

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you. Call Customer Service at 1-877-298-2341, TTY 711 for more information.

Important Message About What You Pay for Insulin - You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

If your everage rules or limits, there will be codes in the list. The codes and what shown below.
PA Prior authorization	The plan needs more information from your doctor to make sure the drug is being used correctly for a medical condition covered by Medicare. If you don't get prior approval, it may not be covered.
QL Quantity limits	The plan only covers a certain amount of this drug for 1 copay or over a certain number of days. Limits help make sure the drug is used safely. If your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity.
ST Step therapy	You may need to try lower-cost drugs that treat the same condition before the plan will cover your drug. If you have tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan for coverage.
B/D Medicare Part B or Part D	Depending on how this drug is used, it may be covered by Medicare Part B or Part D. Your doctor may need to give the plan more information about how this drug will be used to make sure it's covered correctly.
HRM High-risk medication	This drug is known as a high-risk medication (HRM) for patients 65 years and older. This drug may cause side effects if taken on a regular basis. We suggest you talk with your doctor to see if an alternative drug is available to treat your condition.

LA Limited access	The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.
MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-day limit	An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1-month supply per prescription.

Additional Drug Coverage

Additional prescription drug coverage

Your plan includes extra coverage for certain drugs and supplies as shown below. These drugs are either not generally covered under Medicare Part D or are covered at a different cost level than the one shown on your plan's Drug List (Formulary).

This is not a complete list of prescription drugs and supplies covered by your plan. For a complete list, please call Customer Service using the information on the cover of this book.

Lower-cost Medicare prescription drugs and supplies

The following Medicare prescription drugs and supplies are available at a \$0 copay.

These drugs and supplies are part of your Medicare prescription drug coverage. 1

Lower-cost non-Medicare prescription drugs

These prescription drugs are covered in addition to the drugs in your plan's Drug List (Formulary).²

The amount you pay for these additional prescription drugs **does not apply to your Medicare Part D out-of-pocket costs**. Payments made for these drugs (made by you or the plan) are treated differently from payments made for the drugs in your plan's Drug List (Formulary).

The following drugs have a \$0 copay.

Drug name

Folic Acid 1mg Tablet

¹Information about the appeals and grievance process for these prescription drugs and supplies can be found in your Evidence of Coverage.

²This non-Medicare drug coverage is in addition to your Medicare drug coverage. Unlike your Medicare drug coverage, you cannot file a Medicare appeal or grievance for non-Medicare drug coverage. If you have questions, please call Customer Service using the information on the cover of this book.

Bonus drug list

Your employer group or plan sponsor offers a bonus drug list. The prescription drugs on this list are covered in addition to the drugs on the plan's Drug List (Formulary).

The drug tier for each prescription drug is shown on the list.

Although you pay the same copay for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs **does not apply to your Medicare Part D out-of-pocket costs**. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs on the bonus drug list is in addition to your Part D drug coverage. Unlike your Part D drug coverage, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list. If you have questions, please call Customer Service using the information on the cover of this book.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

This is not a complete list of the prescription drugs available to you or the restrictions and limitations that may apply through the bonus drug list. If your drug has any coverage rules or limits, there will be code(s) in the "Coverage rules or limits on use" column of the chart. The codes and what they mean are shown below. If you have questions about drug coverage, please call Customer Service using the information on the cover of this book.

QL - Quantity limits

The plan only covers a certain amount of this drug for one copay or over a certain number of days. These limits may be in place to ensure safe and effective use of the drug.

MME - Morphine milligram equivalent

Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than one opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.

7D - 7-day limit

An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan, and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.

DL - Dispensing limit

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

Fertility drugs have a 50% coinsurance up to a \$2,500 lifetime maximum.

Maintenance drug list

January 1, 2023

Members can receive quantities up to, but not more than, a 90-day supply of maintenance drugs and supplies. Prior authorization may be required for certain drugs. Specialty Tier drugs are limited to a 30-day supply. See your Evidence of Coverage for information about copays. Medications **in this list** are subject to change without notice. If your drug is not included in this Maintenance drug list or to confirm that your drugs and supplies are covered, please call Customer Service using the information on the cover of this book.

What's Next

Here's What You Can Expect Next

UnitedHealthcare will process your enrollment

Quick Start Guide and UnitedHealthcare member ID card	We will mail you a Quick Start Guide with your UnitedHealthcare member ID card 7-10 days after your enrollment is approved. Please note, your member ID card will be attached to the front cover of your guide.
Website access	After you receive your member ID card, you can register online at the website listed below to get access to plan information.
Health assessment	In the first 90 days after your plan's effective date, we'll give you a call. Medicare requires us to call and ask you to complete a short health survey. You can also go to the website below and take the survey online.

Start using your plan on your plan's effective date.

Remember to use your UnitedHealthcare member ID card.

We're here for you

When you call, be sure to let the Customer Service Advocate know that you're calling about the PEEHIP UnitedHealthcare Group Medicare Advantage (PPO) plan. In addition, it will be helpful to have:

Statements of Understanding

By enrolling in this plan, I agree to the following:

This is a Medicare Advantage plan contracted with the federal government. This is not a Medicare Supplement plan.

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S

The service area includes the 50 United States, the District of Columbia and all U.S. territories.

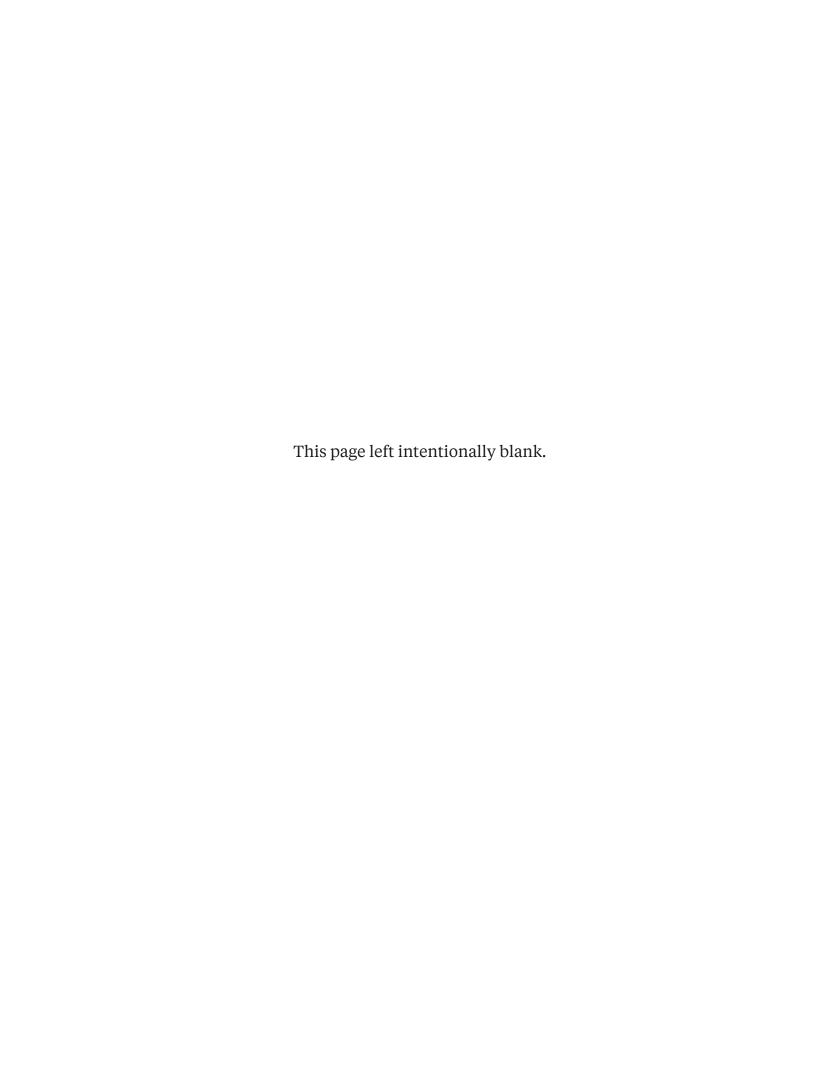

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care only.

- I can only have one Medicare Advantage or Prescription Drug plan at a time.
 - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
 - If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
 - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
 - Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.
- My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

For members of the Group Medicare Advantage plan.

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
